

Lummus Premium Belts by Gates

An long-standing alliance that offers more than ever before.

Lummus is pleased to introduce its line of premium belts manufactured by Gates especially for Lummus and available only through authorized Lummus locations. These belts are manufactured to Lummus specifications, and they feature Lummus-exclusive branding and identification. Even more importantly, they will be offered at very competitive pricing when compared to other branded belts of similar sizes and specifications.

These new belts are just another of the ways that Lummus is working to make your repair parts budget go farther without compromising on quality and performance.

More sizes of Lummus Premium Belts will be made available in the future.

Lummus Premium Belts are available in the following sizes:
